HOOKER NURSERIES,

Rochester, N. Y.,

Office, East Avenue, near the corner of Goodman Street.

H. E. HOOKER. C. M. HOOKER.

E. R. Andrews, Printer, Rochester, N Y.

TO CORRESPONDENTS.

The following items of Nursery Stock are offered to the trade at WHOLESALE, for CASH ; or, by especial agreement, upon such terms as will accomodate the business of nurserymen and dealers.

We invite those who have *large* orders to give, or who wish to buy special *varieties* or *sizes* not enumerated in our List, to write us; we promise the best terms the nature of their orders will permit.

The prices named are for the *Trees*,--the cost of boxes to be added. No charge is made for cartage.

Persons ordering are requested to give us full shipping directions. Our responsibility ceases when the packages are delivered to the forwarders.

If any error should occur, claim for the same must be made immediately after the arrival of the goods in the hands of the purchaser.

It is expected that the selection of *varieties* will be left partly with us, and be made so as to include a well proportioned general assortment.

Persons intending to order of us, are requested to do so as early as convenient, the period being short during which we can depend upon filling orders at *Wholesale* rates.

We usually commence digging in the Fall, the first or second week in October, and the first week in April in the Spring.

Our "DESCRIPTIVE CATALOGUE AND ILLUSTRATED GUIDE," will be furnished upon application.

H. E. HOOKER & BRO.
